

2024 Board of Governors Updates from Michael Kraft, CFHU's National Chair

Reflections on the BOG from Michael Kraft, National Board Chair: I have recently returned from Israel, having participated in Hebrew University's 87th Board of Governors Meeting. From the welcome reception held at the recently opened National Library of Israel, to the closing ceremony showcasing Israel's next generation of leaders, our Canadian delegation was witness to the resilience, incredible spirit, strength and innovation of Israel and our people..

CFHU welcomes Dr. Greg Bailey at Inaugural Einstein Business Forum

CFHU hosted the inaugural **Einstein Business Forum**, featuring esteemed global speaker and changemaker, **Dr. Greg Bailey**. Dr. Bailey is a physician, financier, and biotech entrepreneur with extensive experience in founding and financing healthcare companies including **Juvenescence**. Dr. Bailey captivated guests as he shared insights from his personal journey, his groundbreaking work in brain health and longevity, the significance of investing in health sciences and biotechnology, and the current strategies of the Government of Canada concerning aging. The evening was expertly moderated by **Harley Mintz**, a longtime friend of CFHU and Dr. Bailey.
